

This is a provisional document; we are in the process to establish clear guidelines for Polkadot while ensuring flexibility for each different product case.

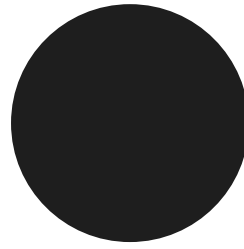

#E6007A

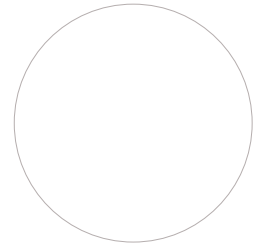

#670D35

#B5AEAE

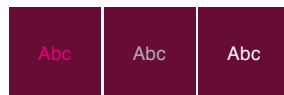

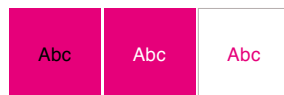

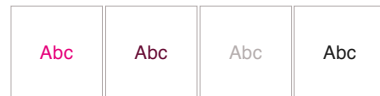

#1E1E1E

#FFFFFF

Here are some recommended combinations. Please have a look to the Polkadot network website.

It is essential that light greys are derived from #B5AEAE and not from #000.

This is a provisional document; we are in the process to establish clear guidelines for Polkadot while ensuring flexibility for each different product case.
